EAST MIDLAND BAPTIST TRUST COMPANY LIMITED
(Company Limited by Guarantee)

ANNUAL REPORT OF THE TRUSTEES

The trustees present their report with the financial statements of the charitable company for the year ended 31st December 2024.

OBJECTS AND ACTIVITIES

Aims and objectives

The East Midland Baptist Trust Company Limited is a company limited by guarantee and also a registered charity and its objects are as set out in the Memorandum and Articles of Association dated 1st January 2002 and include provision as to:

- The promotion of Evangelical religion in the East Midlands or elsewhere according to the principles and usage for the time being of Protestants of the Baptist Denomination.
- Promote, or assist in promoting, or assist in the building, repairing and restoring places or centres of worship, Ministers' houses, Halls, Schools, Colleges, Institutions and other buildings.
- Provide monies required for all or any of such purposes.
- The exercising of corporate trusteeship over those churches in trust with the company.

ACHIEVEMENTS AND PERFORMANCE

Achievements

In furthering its primary objective during 2024 the Company continued to act as Custodian Trustee for the churches in Trust with it and as Management Trustee for a few properties and Trust Funds.

The duties carried out included:

- a. Accounting to individual churches for interest earned on funds held.
- b. Approving plans submitted where alterations were proposed, ensuring that sufficient funds were available to service any loans taken out and that the correct procedures had been followed in the use of architects and quantity surveyors.
- c. Aggregating funds held on behalf of churches and the East Midland Association in order to secure the best rates of interest at minimum risk through a spread of investments. This activity was ceased in March 2023 and Churches invested their funds in the Baptist Union cash investment accounts or opened their own investment accounts.
- d. Making grants to local churches from various Restricted Funds.

Financial Review

Total Incoming resources for the year were £39,845 (2023: £65,064). Total resources expended for the year were £10,389 (2023: £40,564). Where costs are shared between unrestricted and restricted activities, they have been apportioned by the Trustees on the basis of amount used.

The funds at 31st December 2024 were £1,191,822 (2023: £1,162,366) of which £ 523,307 (2023: £88,010) were unrestricted £322,508 (2023: £311,674 as restated) were restricted and £346,007 (2023: £762,682 as restated) were endowed funds.

Reserves Policy

In order to provide a quality, effective and efficient service to its beneficiaries the Trustees are aware of the desirability of setting a level of reserves that, in the event of funding not being sufficient to cover expenses in the future, a smooth transition can be made to a lower level of service.

However, the running costs of the company are generally quite modest and always capable of being covered by a corresponding level of investment income. The Trustees do not therefore consider that any level of reserves is required but will review this policy on an annual basis. Total general reserves at 31st December 2024 are £523,307 (2023: £88,010).

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities act 2011 ("the 2011 Act"). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of the independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by Charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK (FRS102).

(Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED 31ST DECEMBER 2024

1 ACCOUNTING POLICIES

Basis of preparation

East Midland Baptist Trust Company Limited is a company limited by guarantee in the United Kingdom. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity. The address of the registered office is given in the charity information on page 1 of these financial statements. The nature of the charity's operations and principal activities are set out on pages 2 and 3.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK (FRS 102) issued on 16 July 2014, the Financial Reporting Standard applicable in the United Kingdom (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Practice as it applies from 1 January 2015.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are prepared in sterling which is the functional currency of the charity.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

Incoming and endowments

All incoming resources are included in the Statement of Financial Activities (SOFA) when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

Donation and legacy income are included in full in the Statement of Financial Activities when receivable.

Investment income is included when receivable.

Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following headings:

- Raising funds includes investment management fees.
- Charitable activities comprise those costs incurred by the charitable company in the delivery of its activities and services for its beneficiaries. It includes both costs allocated directly to such activities and those costs of an indirect nature necessary to support them.

EAST MIDLAND BAPTIST TRUST COMPANY LIMITED
(Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED 31ST DECEMBER 2024

Support costs allocation

Support costs are those that assist the work of the charity but do not directly represent charitable activities and include office costs, governance costs, administrative payroll costs. They are incurred directly in support of expenditure on the objects of the charity and include project management carried out at Headquarters. Where support costs cannot be directly attributed to particular headings, they have been allocated to charitable activities on a basis consistent with use of the resources.

The analysis of these costs is included in note 4.

Tangible assets

Depreciation has not been provided on the properties owned by the charitable company, as in the opinion of the trustees, the disposal value of the assets is not expected to be less than the carrying value.

Investments

Investments are recognised initially at their transaction value which is normally the transaction price less transaction costs. Subsequently, they are measured at fair value with changes recognised in 'net gains /(losses) on investments' in the SOFA if the shares are publicly traded or their fair value can otherwise be measured reliably.

Debtors and creditors receivable/payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

Taxation

The company is a registered charity and is therefore entitled to the exemptions from corporation tax afforded by section 505 of the Income and Corporation Taxes Act 1988. Accordingly, there is no corporation tax charge in these financial statements.

Custodian trustee funds

The charitable company holds funds on behalf of churches within the East Midlands Association as Custodian Trustee. Responsibility for managing these funds rests with the management trustees of the respective churches, and details of these assets should appear in their own accounts. As Custodian Trustee we have a duty to disclose the information relating to assets held and details appear on page 15.

Funds

Permanent endowment funds are capital funds where there is no power to convert capital into income. They must generally be held indefinitely except where the Charity Commission has agreed otherwise.

Restricted funds are funds that can only be used for particular restricted purposes within the objects of the charitable company. Restrictions arise when donors specify the purpose for which the income can be used.

EAST MIDLAND BAPTIST TRUST COMPANY LIMITED
(Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED 31ST DECEMBER 2024

Funds (continued)

Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the charitable company without specified purpose and are available as general funds.

Endowment funds represent those assets which must be held permanently by the charity. Income arising on the endowment funds can be used in accordance with the objects of the charity and is included as unrestricted income. Any capital gains or losses arising on the investments form part of the fund. Investment management charges and legal advice relating to the fund are charged against the fund.

Going Concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

Judgements and key sources of estimation uncertainty

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

There are no key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.
